Notice Regarding the Revision of the Target Amount for the Sale of Cross-Shareholdings

The Company hereby announces that, at the meeting of its Board of Directors held today, it resolved to revise the target amount for the sale of cross-shareholdings during the period of the current Fourth Medium-Term Management Plan, as described below.

1. Reason for the Revision

As stated in the “Notice Regarding the Formulation of the Long-Term Management Vision “GIFT 2030” and the 4th Mid-Term Business Plan” disclosed on May 22, 2025, the Company has set a target of selling ¥5.0 billion worth of strategically held shares (cross-shareholdings) by the fiscal year ending March 31, 2028, which is the final year of the Fourth Medium-Term Management Plan.

In the first year of the Plan, the fiscal year ended March 31, 2026, the Company achieved a reduction of approximately ¥2.7 billion, and the reduction has been continuing to progress as planned in the fiscal year ending March 31, 2027. In order to further improve capital efficiency and promote management with a greater focus on capital costs, the Company has decided to raise its target amount for the sale of cross-shareholdings from ¥5.0 billion to ¥7.0 billion.

2. Use of Proceeds

As disclosed in the financial strategy (cash allocation) of the Medium-Term Management Plan, the proceeds generated through the sale of cross-shareholdings will be allocated appropriately to growth investments, including M&A, the promotion of digital transformation (DX), and the enhancement of human capital, as well as to shareholder returns.
