Insurance claims and benefits	350	500

Annualized premium is the amount of money equivalent to what is to be paid to have the insurance coverage for one year. All payments for Lifenet products are in monthly installments, thus the annualized premium is calculated as multiplying the monthly premium by 12 months.

This report is preliminary and may be different from the final settlement report.

Sum insured of policies-in-force and sum insured of new business are the sum of death coverage, and do not include medical and survival coverage.
