(Notes)

1. The Company engages in outsourcing and other transactions with Mitsubishi Heavy Industries, Ltd. where Mr. Seiji Izumisawa serves as President and CEO (Member of the Board). There are no special interests between any other candidates for Director and the Company.
2. The four (4) candidates for Director, Ms. Mariko Bando, Mr. Ken Kobayashi, Mr. Nobuyuki Hirano and Mr. Seiji Izumisawa are candidates for Outside Director. The Company has designated Ms. Mariko Bando and Mr. Ken Kobayashi as Independent Directors provided for by Tokyo Stock Exchange, Inc. and has notified the Exchange to that effect. The Company intends to newly designate Messrs. Nobuyuki Hirano and Seiji Izumisawa as Independent Directors and notify the Exchange to that effect.
3. The Company has entered into liability limitation agreements with Ms. Mariko Bando, Mr. Ken Kobayashi and Mr. Nobuyuki Hirano, whereby, in accordance with the provisions of Article 427, paragraph (1) of the Companies Act, their liability for damages stipulated in Article 423, paragraph (1) of the said Act is limited to the amount as prescribed by the relevant laws and regulations, insofar as they execute their duties bona fide without gross negligence. If they are elected, such agreements shall be continued. Moreover, if Mr. Seiji Izumisawa is elected, the Company intends to enter into an agreement to the same effect with him.
4. The Company has entered into a directors and officers liability insurance policy with an insurance company, as provided for in Article 430-3, paragraph (1) of the Companies Act. An overview of this policy can be found on page 48 for the business report (in Japanese only). If each of the candidates for Director is elected, they will be included in the policy as an insured. Furthermore, the Company plans to renew the policy with the same terms during the terms of office of each of the candidates for Director.
5. At Mitsubishi Motors Corporation, where Mr. Ken Kobayashi served as an outside director, there was an act in violation of the Act against Unjustifiable Premiums and Misleading Representations in relation to representations in the catalogs, etc. of the company's vehicles that had engaged in improper conduct in fuel consumption testing. In January and July 2017, the Consumer Affairs Agency issued an administrative order and an order to pay a penalty. Furthermore, in May 2018 it emerged that certain technical intern trainees from overseas at Mitsubishi Motors Corporation's Okazaki Plant were not being trained in accordance with a technical intern training plan for which approval had been received from the Organization for Technical Intern Training. In January 2019, approval for Mitsubishi Motors Corporation's technical intern training plan

was canceled in accordance with the Act on Proper Technical Intern Training and Protection of Technical Intern Trainees, and the company received an improvement order. Mr. Kobayashi was unaware of these facts, but had routinely emphasized at meetings of the Board of Directors and at other times the importance of adhering to laws and regulations. Moreover, after these facts came to light he discharged his responsibilities by giving instructions for a thorough investigation into the matters, and for the implementation of measures to prevent a recurrence.

6. In February 2019, MUFG Bank, Ltd., at which Mr. Nobuyuki Hirano served as a Member of the Board of Directors, entered into an agreement with the U.S. Office of the Comptroller of the Currency (OCC) to take improvement measures after receiving indication from the OCC that there were deficiencies in relation to the state of its internal control, etc. concerning anti-money laundering measures based on the Bank Secrecy Act. In addition, the aforementioned agreement did not pertain to any identification of the bank's involvement in individual transactions that violated laws, including violations of U.S. economic sanctions and controls, and no instances arose that required payment of civil penalties or other fines.
